COST ESTIMATOR TOOLS

To learn more about the Aetna Member Payment Estimator, go to:

<https://www.aetna.com/individuals-families/member-tools-forms/member-payment-estimator.html>

How does the Member Payment Estimator work?

It's easy. Say you're trying to find one of the following:

- Cost of colonoscopy
- Cost of vaginal delivery
- Cost of an MRI and CT scan
- Cost of an upper GI series (endoscopy)
- Cost of a doctor's office visit

The Member Payment Estimator tells you:

- How much you'll have to pay (your out-of-pocket costs)
- How much Aetna will pay
- How much you'll save thanks to Aetna's negotiated rates

You will find prices for hundreds of common procedures.

And the Member Payment Estimator tells you where in your area — and in your network — you can find these services. The “network” is the doctors, hospitals and health care facilities that

Payment Estimator

Find and compare costs for procedures, physician visits, lab tests and surgery.

Look for the Payment Estimator icon near to bottom of the Aetna home page. You must be registered to access the Payment Estimator Tool.
