Emergency Medical Services for Children (EMSC) Day

Wednesday, May 20th is *Emergency Medical Services for Children (EMSC) Day*. EMS for Children Day provides an opportunity during EMS week to recognize the special emergency care, injury prevention and disaster preparedness needs of children.

2020 marks the 26th anniversary of the Illinois EMSC program and the 36th anniversary of the National EMSC program.

In recognition of these milestones and EMSC Day, Illinois EMSC encourages those involved in emergency care to become more aware of EMSC Day by clicking on the National EMSC website below.

Illinois EMS for Children extends a special *Thank You* to all healthcare practitioners, professional healthcare organizations, and public and private agencies within our state who go above and beyond on a daily basis to care for children within their community.

Illinois EMS for Children is a partnership between Illinois Department of Public Health and Ann & Robert H. Lurie Children's Hospital of Chicago
