

Lurie Children's Pediatric Nutrition Conference April 21, 2022

Call for Abstracts

We welcome abstracts from clinicians and students which could include case studies, successful educational tools, development of new services and clinics, public policy efforts, and current research in the nutritional management of pediatrics.

Abstract submission deadline: February 28, 2022

Instructions for Preparing Abstracts

The following information will be required when submitting your abstract online:

Name of submitter/first author

Department/Institution/ Affiliation Address

Email address and phone number

Abstract Title (limit title to 25 words)

Author(s) - last name followed by initials as in: Snow AB, Ice CD, Heat EF and Warm GH

Text: 350 words or less, single-spaced, no tables or figures in the abstract.

Please include:

Objective(s)

Methods

Results

Discussion and or Conclusion

Funding Disclosures (if any)

Abstracts must be submitted online at [2022 Conference Registration](#)

Abstract selection procedure

All abstracts will be reviewed by the Nutrition Research Committee. **Authors of accepted abstracts will be notified via e-mail no later than March 18, 2022.** Accepted abstracts will provide digital posters in PDF format to be displayed virtually on the day of the conference.

Oral Presentation Awards

Two abstracts will be chosen for oral presentation (authors can accept or decline the opportunity). Chosen authors will submit a pre-recorded presentation (submitted in .mp4 format) to be played during the conference.

Lurie Children's Nutrition team is pleased to offer free conference registration to one author of each abstract selected for oral presentation. **Authors chosen for virtual oral presentation will be notified by March 18th, 2022.**

Specific instructions for either the virtual oral presentation or poster format will be sent to you if your abstract is accepted.
