Program Disclosures

As articulated in Standard I.B.2, programs may have "admission and employment policies that directly relate to affiliation or purpose that may be faith-based or secular in nature. However, such policies and practices must be disclosed to the public. Therefore, programs are asked to respond to the following question.

Does the program or institution require students, trainees, and/or staff (faculty) to comply with specific policies or practices related to the institution's affiliation or purpose? Such policies or practices may include, but are not limited to, admissions, hiring, retention policies, and/or requirements for completion that express mission and values.	___Yes _x_No
If yes, provide website link (or consent form brochure) where this specific information is presented.	

Internship Program Admissions

Briefly describe in narrative form important information to assist potential applicants in assessing their likely fit with your program. This description must be consistent with the program's policies on intern selection and practicum and academic preparation requirements:
Students with a longstanding interest in clinical child and/or pediatric psychology as demonstrated by their graduate studies, research, and/or clinical experiences are encouraged to apply. Preference is given to those from APA accredited clinical programs. The successful applicant has demonstrated academic excellence through publication or presentation of research, is well regarded by clinical and research supervisors, has clinical experience with a range of ages and disorders, and presents well during interview. Applicants with diverse identities and students proficient in Spanish are encouraged to apply.

Does the program require that applicants have received a minimum number of hours of the following at time of application? If Yes, indicate how many:			
Total Direct Contact Intervention Hours	N	**YES**	Amount: 400 hours
Total Direct Contact Assessment Hours	N	**YES**	Amount: 100 hours

Describe any other required minimum criteria used to screen applicants:
While we generally seek for applicants to have a combined 500 hours of intervention and assessment, we are also flexible with current applicants given the impact of the COVID-19 pandemic and prioritize quality over quantity of training. Additionally, applicants must have completed all requirements for their degree except their dissertations.
