SURGICAL TEAM

The Division of Otolaryngology - Head and Neck Surgery at Ann & Robert H. Lurie Children's Hospital of Chicago provides medical and surgical treatment for children with disorders of the ears, nose and throat (ENT), as well as head and neck tumors. Our physicians treat more children for ENT conditions than any other hospital in Illinois. The team treats patients downtown and at six other locations across the Chicago area. To make an appointment, **please call 1.800. KIDS DOC® (1.800.543.7362)**. For other questions, please call 312.227.6230.
