

# The Division of Ophthalmology

## CLINICAL TEAM

The Ophthalmology and Eye Care team at Ann & Robert H. Lurie Children's Hospital of Chicago treats patients downtown and at five other locations across the Chicago area. We also have two optical shops that provide specialty frames for infants and children, one at Lurie Children's Main Hospital downtown and one at Lurie Children's Outpatient Center in Northbrook.

To make an appointment, please call **1.800. KIDS DOC® (1.800.543.7362)**.
