The screenshot shows the myuhc.com homepage. At the top right, there is a navigation bar with links for "Site Demo", "Contact Us", and "Feed". On the left side, there is a "Site Login" section with fields for "Username" and "Password", and a "Login" button. Below this is a "Need a username and password?" section with a "Register Now" button. A red box highlights the "Register Now" button and the text "You must be 13 or older to register". To the right of the login section is a "View Demo" button. The main content area features a large orange banner with the text "Your money. Your health." Below this banner is a "Your Quick Estimate" section for an "MRI Scan Without Dye - Knee". It lists the estimated duration as "1 Day", the estimated total cost as "\$642", the estimated amount the health plan will pay as "\$209", and the estimated out-of-pocket cost as "\$200". There are also circular callouts for "Local market average", "You pay", and "Compare costs by provider or facility". At the bottom of the main content area, there is a "Personalize Your Estimate" button and a "First Time Visitor?" section.

The screenshot shows the myHealthcare Cost Estimator tool. At the top, there is the UnitedHealthcare logo and the text "myHealthcare Cost Estimator". Below this is a search result for "Dr. Bradley Gordon, MD". The search criteria are "UnitedHealth Premium Tier 1" and "Orthopedic Surgery". The location is "542 101st Street, New York, NY 10002". The search results show a table with the following data:

Local Average:	This Physician:	Health Plan Pays:	Out-of-Pocket:	Cost of Affiliated Facility:
\$141	\$114	\$11	\$103	\$20,578 - \$30,072

The "Out-of-Pocket" value is highlighted in yellow. Below the table, there is a link for "More information about this Physician".
