

Related Services

When children have a 504 Plan or Individualized Education Program in place, they may qualify for additional supportive services known as related services. These services are provided by the school or school personnel to children who require them in order to benefit from special education services. Examples of related services include, but are not limited to:

- Transportation
- Speech and language pathology and audiology services
- Occupational therapy
- Physical therapy
- Psychological services
- Social work services
- Health/Nursing services
- Mobility services
- Interpreting services
- Parent counseling and training
