

Go to the hospital

Check in and play  
in waiting room

Go to room with  
bed

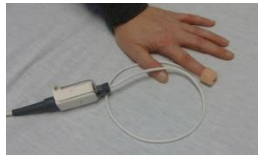

Get height and  
weight measured

Take temperature

Measure blood  
pressure, quick  
tight hug on arm

Put sticky Band-  
Aid around finger

Change clothes

Pick scent for  
sleepy medicine

Take a ride down  
the hall on bed

Switch beds to get  
sleepy medicine

Go to new room and  
eat popsicles!

All done! Time to go  
home
