

Visual PICC Line

Take a ride in your bed
down the elevator

Play in room while you
wait

Take a ride in bed to
new room

Clean arm with orange
soap

Use ultrasound to find
place on arm to place
PICC line

Get numbing medicine,
loud pop sound!

Get PICC line in arm,
hold still and take
deep breaths!

All done! Put tape on
and wrap it up to keep
it safe!
