

# Sickle Cell Resources

Click on any of these resources to be directed to their web page.

## Sickle Cell Information Center

The Sickle Cell Information Center provides sickle cell patient and professional education, news, research updates and worldwide sickle cell resources.

## Sickle Cell Disease Association of Illinois

Sickle Cell Disease Association of Illinois' (SCDAI) primary mission is to enhance the quality of life for people with sickle cell disease and their families. To effectively achieve this goal, SCDAI acts as an advocate for improved health care and other services for sickle cell patients by educating and informing the community through outreach programs. SCDAI is a great resource to families with sickle cell in Illinois.

## Sickle Cell Disease Educational Information Repository (SCD Repository)

The SCD Repository was developed as a product of the HRSA-funded Sickle Cell Disease Newborn Screening Follow-up Program. The program provides recruitment, care coordination, education and outreach to individuals living with sickle cell disease and their families.

## CDC Sickle Cell Information

The Centers for Disease Control and Prevention is a US federal agency under the Department of Health and Human Services that works to protect and promote public health and safety. You can find information about sickle cell disease, sickle cell research, facts, and tips for healthy living on this website.

## National Heart, Lung, and Blood Institute

The National Institutes of Health (NIH), a part of the U.S. Department of Health and Human Services, is the nation's medical research agency - making important discoveries that improve health and save lives. The National Heart, Lung, and Blood Institute is the section of the NIH that focuses on blood disorders such as sickle cell disease.
