

How to Pre-Register with Us

STEP 1: Pre-register for your delivery with your hospital

If delivering at PRENTICE HOSPITAL:

1. Choose a placeholder pediatrician:
 - When asked for a pediatrician during registration, select any provider from [our website](#).
 - This is a placeholder so that Prentice can bill your insurance. This does not have to be your primary doctor.
 - Prentice will alert our office after your baby is born for us to visit you in the hospital.
2. Call our office at 312.227.2800 to schedule your initial visit **before you leave the hospital**.

If delivering at ANOTHER HOSPITAL:

1. Call our office to schedule your initial newborn visit **before you leave the hospital**.
2. Prior to your first visit with our office, request medical records be sent to our office via fax:
Fax: 312.227.9554

STEP 2: Pre-register with Lurie Children's Primary Care - Town & Country Pediatrics

You can register with us via phone or fax:

- **Phone:** Please call our registration team at 312.227.2800
- **Fax:** Please complete our [Registration Form](#)
 - You can leave patient information (name, DOB, gender) blank
 - Fax to 312.227.9551

Questions?

Please reach out if you have any questions, via e-mail or phone:
